## **Maine Equal Pay Law**

(Title 26, § 628, Chapter 7)

Maine Law requires that employees be paid the same wages as employees of the opposite sex for work that is of a comparable nature in skill, effort and responsibility.

This poster is provided at no cost by the Maine Department of Labor and may be copied.

## Are you being paid less than an employee of the opposite sex for performing the same or similar job?

## If so, please ask yourself the following questions.

- 1. Has the other employee worked for the business or been in that job longer than I have?
- 2. Does the other employee have more training, education or experience related to the job than I do?
- 3. Is there a merit system in place that rewards employees with promotion, pay increases or other advantages on the basis of their abilities or qualifications?
- 4. Does the other employee have more responsibilities in comparison to my own responsibilities?

If you cannot answer at least one of the above questions with a "yes," you may want to file an Equal Pay Complaint. The Maine Department of Labor has a printable complaint form which you may access at <u>www.maine.gov/labor/labor\_laws/wagehour.html</u> or you may call 207-623-7900 and request that an Equal Pay Complaint form be mailed to you.
